

Canterbury West Coast
Wood Council

PURPOSE

To promote, encourage and coordinate the sustainable economic development of plantation forestry and the wood products industry in the Canterbury and West Coast regions.

GOALS

- WORK TOWARDS IMPROVING THE COMMUNITY AND POLITICAL PERCEPTION OF FORESTRY
- COMMUNICATE WITH OTHER FOREST BODIES: TUR/MPI, NZFOA, FISC, FICA, SCION, NZFFA, FENZ, IWI FORESTRY, FENZ AND OTHER WOOD COUNCILS
- STAY INFORMED ON LOCAL GOVERNMENT STRATEGIES AND POLICY IMPACTING FORESTRY
- PROMOTE FORESTRY IN THE WIDER COMMUNITY AS A SUSTAINABLE RENEWABLE INDUSTRY
- PROMOTE AND ENCOURAGE FOREST INDUSTRY TRAINING AND FORESTRY CAREER OPPORTUNITIES
- PROMOTE THE FOREST INDUSTRY IN SCHOOLS AND SUPPORT OTHER EDUCATION INITIATIVES
- BIENNIAL FORESTRY AWARDS

Striving to incorporate the whole supply chain

OBJECTIVES

1. Participate

Bring together participating members with a common interest in the forest and wood products industry.

2. Interface

Creating an interface with central government, regional authorities and other wood councils.

3. Promote

Actively promote the benefits of the forestry sector and related industries to the community and stakeholders.

4. Inform

Collect and share information relative to other industry organisations, including promotion and support of training opportunities to ensure we have a skilled workforce.

5. Interact

Encourage social interaction among members and actively grow the membership base.

6. Abide

Abide to the rules of the society.
